

Summer Highlights

August 2023

Hello,

Since the session ended, I have been building strong relationships with community members, fellow legislators, organizers, and Frederick residents to reinforce what we achieved during our 2023 session and what we will do during our 2024 session.

I am excited to share a few of the things we have been doing.

When you need our assistance, please reach out to us by email with any questions, concerns, or meeting requests. Please include your name, address, phone number, and a description of how we can serve you.

Respectfully,

A handwritten signature in blue ink that reads "Karen Simpson". The signature is fluid and cursive.

Karen Simpson
State Delegate Frederick District 3
House Judiciary Committee
Maryland General Assembly

Congratulations 2023-24 Scholarship Recipients

This year, I had the privilege of awarding over \$50,000 in scholarships to more than 50 Frederick County students to help ease the financial stress of college and support their educational pursuits.

Investing in Relationships Through Grant Opportunities

How do we connect communities and services divided by Route 40?

I've been working with our city and county officials and various service providers to discuss how we can bring neighbors together through federal and state grants available to us, such as, the Reconnecting Communities and Neighborhoods (RCN) program which opened last month.

Through the U.S. Department of Transportation (USDOT), the RCN program funds community construction projects nationwide that aim to bridge connections between community members and pave the way for an equitable future for all. These grants offer us a unique opportunity to empower one another by addressing transportation-related disparities and increasing accessibility.

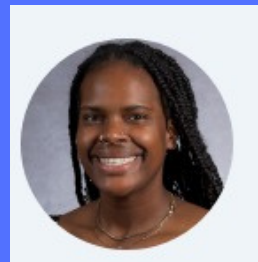

In coming together, we can implement impactful projects that focus on the diverse needs of our community.

Opportunities to Connect

Greetings From

Elizabeth Bobo
Chief of Staff

State Delegate Karen P. Simpson
